Jim L. Ridling, a native Arkansan who has lived and worked in Montgomery since 1987, was appointed Insurance Commissioner of the Alabama Department of Insurance by Governor Bob Riley on September 15, 2008. He was reappointed by Governor Robert Bentley in 2011 and Governor Kay Ivey in 2017.

Ridling is a graduate of the University of the Ozarks. Upon graduation, he entered a management training program with Fireman’s Fund Insurance, leading to several management positions and culminating in his service as Executive Vice President U.S. operations, based in California. In 1987, he left California and traded his interest in American Express (which owned Fireman’s Fund at the time) for ownership in Southern Guaranty, a Fireman’s Fund subsidiary headquartered in Montgomery, where he served as the company’s President and CEO. The following year, Southern Guaranty sold to Winterthur Swiss, and he remained in his previous role and added the duties of Chairman until his retirement in 2003.

Following his retirement from Southern Guaranty, Ridling and other local business leaders formed River Bank and Trust, where he currently serves on the Board of Directors. Ridling is a former chairman of the Board of Directors for Jackson Hospital and has served on the Board of Directors of the Montgomery Airport Authority, the Montgomery Area Chamber of Commerce, and the Central Alabama Community Foundation. He is a former Chairman of the River Region United Way and continues to be involved in local business, charitable and community activities.

Ridling is married to the former Catherine Turner, a native of Northern California. He has two daughters – Erin Ridling and the late Hannah Ridling.

Arizona Governor Doug Ducey appointed Evan Daniels Director of Arizona Department of Insurance and Financial Institutions effective July 20, 2020. The Department’s mission encompasses state regulatory oversight for both insurance and financial institutions, including banks and credit unions.

Before his appointment, Daniels served in the Arizona Attorney General’s Office, handling various matters related to consumer protection, innovation, technology, and government accountability. Of note, Daniels administered the Arizona Fintech Sandbox, a first-in-the-nation program for authorizing limited tests of innovative financial services products. Daniels co-authored the bill that created the Arizona sandbox and was responsible for the review, approval, and oversight of various tested products, including payments, consumer lending, digital assets, and machine learning. Daniels has spoken widely on regulatory innovation and represented the Arizona Attorney General’s Office as a member of the American Consumer Financial Innovation Network, a network of consumer financial regulatory agencies spearheaded by the Consumer Financial Protection Bureau, and the Global Financial Innovation Network, a similar network of global regulators spearheaded by the United Kingdom’s Financial Conduct Authority.

Daniels obtained a J.D. from University of Tennessee College of Law, where he served as Editor-in-Chief of Transactions: The Tennessee Journal of Business Law, an M.A. in Diplomacy from Norwich University, and a B.A. in History from Arizona State University.

Ricardo Lara is California's eighth Insurance Commissioner since voters created the elected position in 1988. Lara previously served in the California Legislature, representing Assembly District 50 from 2010 to 2012 and Senate District 33 from 2012 to 2018.

As Senator, Lara expanded protections for disaster survivors from losing their homes to insurance cancellation and nonrenewal. He wrote the nation's first climate insurance law, SB 30, to engage the insurance industry in the fight against climate-linked environmental disasters like wildfires and sea level rise. Lara is one of California's most effective environmental champions, working to improve health conditions and rein in air pollution.

Lara received the United Nations 2017 Climate and Clean Air Award with former Governor Edmund G. Brown Jr. and the California Air Resources Board for his work to reduce super pollutants.

Lara authored the Health4All Kids Act, which now covers 250,000 California children with full-scope health care regardless of their immigration status. He also authored laws that help prevent prescription drug abuse and crack down on patient brokering and fraud involving Californians recovering from substance abuse disorders.

Raised in East Los Angeles by immigrant parents, Lara made history in 2018 by becoming the first openly gay person elected to statewide office in California's history.

Lara earned a bachelor's degree in Journalism and Spanish with a minor in Chicano Studies from San Diego State University.

Michael Conway was appointed Commissioner of the Colorado Division of Insurance (DOI) by Governor Jared Polis on Dec. 21, 2018, and confirmed by the State Senate on Jan. 22, 2019. Prior to this, he was appointed Interim Commissioner of the DOI by Governor John Hickenlooper in January 2018. As Commissioner, Conway serves as the chief executive of the DOI and oversees the regulation of Colorado's insurance industry. His role brings together consumers, the insurance industry and other stakeholders to create an inclusive, firm and fair regulatory approach to all lines of insurance such as auto, health, homeowner, life, property and casualty, title and workers’ compensation.

Conway served as the DOI Deputy Commissioner for Consumer and Compliance Services since March 2016. He was instrumental in developing and guiding the DOI’s strategies regarding health insurance during what was a tumultuous time for that industry. He advised the previous Commissioner and the Governor’s staff regarding the possible implications of federal changes to the regulation of health insurance in Colorado. His duties also entailed appearing before state legislative committees to advocate for the DOI’s positions regarding insurance and its regulation. He cultivated relationships with consumer groups and insurance industry to create a regulatory environment that helped Colorado consumers but was a fair, level playing field for the industry. He also worked within the DOI to establish objectives that provided for better protection of insurance consumers.

From 2010 to 2016, Conway was an assistant Attorney General for the Colorado State Attorney General’s Office, where he represented the DOI in all facets of regulation of the insurance industry including mergers and acquisitions of insurance companies, insurer rehabilitation/liquidation, and producer and company licensure litigation. While in the Attorney General’s Office, he worked with the Colorado Attorney General Pro Bono Family Law Clinic, advising clients on matters of divorce and child custody. He also worked as an attorney for Colorado Legal Services, advocating for indigent clients regarding housing rights, homelessness prevention, evictions and subsidized housing.

With the exception of three years spent in Miami for law school, Conway has called Colorado home for nearly 20 years since moving to attend the University of Colorado at Boulder.

Andrew N. Mais was nominated as Connecticut's 33rd Insurance Commissioner by Governor Ned Lamont and began serving on March 4, 2019. The mission of the Connecticut Insurance Department is to protect consumers through regulation of the industry, outreach, education, and advocacy.

Previously a member of Deloitte’s Center for Financial Services, Mais primarily focused on the insurance sector—both US and internationally—serving as a subject matter specialist and resource on insurance regulation, providing expertise in corporate governance and responsibility in the public and private sector through his work at Deloitte and as a regulator and government official. Prior to that, he was a Director at the New York State Insurance Department (NYSID). He served four governors as part of the sr. leadership team through numerous events including the financial crisis of 2008 and major state and federal changes in health insurance regulations and laws. Before joining the NYSID, he served as director of a Connecticut nonprofit.

Mais has led various research teams; authored whitepapers on insurance issues; published articles in Best’s, Carrier Management magazine, and the Journal of Reinsurance; and has been quoted in trade publications, many of the largest general interest newspapers in the US, and the financial press. His expertise has been sought by organizations including the Government Accountability Office.

A graduate of Yale University, Mais has served in elected and appointed positions in New York and Connecticut, as well as on numerous boards. He most recently served as chair of the Council on Ethics of the town of Wilton, CT, where he lives with his wife, Susan, and is often visited by their daughter Jennifer. Other service includes the board of the Maritime Aquarium of Norwalk, a leading national institution with a mission that includes providing leadership in STEM education and training to students from under-served groups, as well as community education on the importance of the Long Island Sound.

His more than 30 years of community involvement includes past board memberships on the American Red Cross of Mid-Fairfield County; Board of Finance of the Town of Wilton (he was cited by the CT House of Representatives); Wilton Chamber of Commerce; Rotary Club of Wilton; The Teen Center of Wilton; Wilton Education Foundation; and numerous others.

Trinidad Navarro was elected in 2016 as Delaware’s 26th Insurance Commissioner. In this role, he oversees the regulation of the Delaware insurance market and the Department of Insurance’s (DOI) consumer protection efforts. In 2014, the most recent data available, the Delaware DOI ranked 10th in the U.S. in total written insurance premium and regulated companies with more than $620 billion in assets. The DOI is the largest consumer protection agency in the state.

A lifelong Delawarean, Navarro has an extensive record of public service and is committed to protecting Delaware consumers. He served more than 20 years with the New Castle County Police, retiring as the Public Information Officer after being elected as New Castle County Sheriff in 2010. While a police officer, he received the department’s distinguished Medal of Valor. Prior to that, he worked as a licensed insurance agent. He followed in the footsteps of his father, whose career was servicing the life and health insurance needs of his community. His father’s work demonstrated to him the importance of serving the people who have put their trust in you. Navarro put that lesson into action as an insurance agent, a police officer and as sheriff. He knows that serving the needs of the people is the hallmark of every profession and the obligation of every public servant.

Navarro is a member of the NAIC. He presently serves on the Delaware Health Care Commission, the State Employees Benefits Committee, the Deferred Compensation Council, and the Council on Health Promotion and Disease Prevention.

Navarro holds an associate degree in criminal justice from the Delaware Technical and Community College and a bachelor's degree from Wilmington University.

Navarro has two daughters, Kylie and Hannah, and one son, Jordan. He currently resides in Bear, DE, with his wife, Melissa, and youngest daughter, Hannah.

John F. King was sworn in as Georgia's Insurance Commissioner by Governor Brian Kemp on July 1, 2019. He previously was the Chief of Police for the City of Doraville since October 2002. King served in many capacities with the Doraville Police Department, including Deputy Chief over enforcement operations. He began his employment with the City of Doraville in 1993 as a Detective. Prior to that, King was an Atlanta police officer beginning his career in 1985. While at the Atlanta Police Department, King worked various assignments including Red Dog, Organized Crime/Intelligence. King's career includes assignments to both the FBI and DEA as a Task Force Agent. In 1987, while at the Atlanta Police Department, he received the Chief's Blue Star for being injured in the line of duty as a result of criminal attack with a firearm.

A native of Mexico, King has created meaningful impact by building bridges among Doraville’s diverse populations and implementing youth education and crime-prevention programs. Recognizing Doraville's international composition, King made it a priority to hire bilingual police officers, place multiple languages on police cars, and ensure effective translators and public defenders were employed at the City Courthouse. His initiatives include Anti-Gang education programs for elementary school students and parents. King worked with the Hispanic Chamber of Commerce to establish an education program for prospective small business entrepreneurs and worked with state, county and local leaders to implement a safety and speed reduction program targeted on Buford Highway to reduce the number of pedestrian fatalities. King is also a member of Leadership DeKalb.

In addition to his role as Doraville’s Chief of Police, King serves as a Major General in the U.S. Army National Guard assigned to U.S. Army North and Commander Task Force 51. He was the former Commander of the 48th Infantry Brigade Combat Team and has deployed to Bosnia-Herzegovina, Iraq and Afghanistan. He served as the Military Advisor to the Deputy Minister of Interior for Security for Afghanistan, an agency of over 96,000 police officers. He has won many awards for military and public service including the Bronze Star Medal and Combat Infantry Badge, meritorious service medals, and a NATO award for his service in both Bosnia and Afghanistan, among others. He also received the El Salvador gold medal for achievement in 2006.

King earned a Bachelor’s Degree in criminal justice and public administration from Brenau University and a Master’s Degree in Strategic Studies from the U.S. Army War College. He was a graduate of class #229 in the FBI National Academy in Quantico, VA and a graduate of the Georgia International Law Enforcement Exchange program to Israel (GILEE). King is also fluent in Spanish.

Commissioner Ommen also has the distinction as having served as the Missouri Insurance Director.

Ommen obtained his law degree in 1985 from the Saint Louis University School of Law.

Ommen and his wife, Sharon, have two married children and five grandchildren. Ommen enjoys home remodeling, gardening, backpacking and outdoor adventure.

Vicki Schmidt is a lifelong Kansan and Republican, born and raised in Wichita. She and her high school sweetheart, Mike, attended Wichita South High School. Their families lived two blocks apart and shared similar upbringings focused on hard work, honesty and faith. They attended the University of Kansas (KU) and married in 1974. Vicki graduated from KU’s School of Pharmacy and went to work as a pharmacist, while Mike attended medical school to become an orthopedic surgeon. They made their home in Topeka, where they raised their sons, Jonathan and Tyler.

She has worked more than 40 years, serving Kansas families and seniors as a local pharmacist. It was her pharmacy experience and her commitment to bettering Kansas that drew her to run for the Legislature. As a pharmacist, Vicki found errors in the Kansas Medical Assistance Program, errors that were costing the state millions of dollars. She became a voice for reform — speaking up about ways Medicaid could be more cost-effective in its drug rebate program and implementing her plan, which resulted in more than $391 million in recouped dollars for the state.

Vicki brought her expertise to the Legislature, where she served 14 years representing Shawnee and Wabaunsee counties, including six as the chair of the Senate Public Health and Welfare Committee. As a state Senator, she fought to protect Medicare for Kansas seniors and voted to ensure Kansas families could count on insurance companies to cover the critical treatments needed for children diagnosed with autism. She consistently stands up to career politicians and lobbyists to fight for what is right for Kansans. She received her most important title in 2014 when she became a Grandma. She and Mike now have two grandsons and one granddaughter. They are also blessed to be able to help care for their mothers.

On November 6, 2018, she was elected as Kansas Insurance Commissioner, with the largest vote total statewide. When she was sworn-in on January 14, 2019, she became the first pharmacist to serve as Kansas Insurance Commissioner and is the only pharmacist in America to hold a statewide office.

Kathleen A. Birrane was appointed Maryland Insurance Commissioner by Governor Larry Hogan in May 2020.

Prior to her appointment, Commissioner Birrane was a partner in the Insurance Sector and Litigation and Regulatory Practice Group at the global law firm of DLA Piper LLP (US), where her practice focused on insurance and reinsurance transactions, regulatory compliance and related litigation. She represented clients with respect to business-conduct and financial investigations and internal audits; acquisition and asset diligence; corporate reorganizations and restructurings; corporate governance and compliance program design; and the analysis of issues related to the use of technology, predictive modeling/big data, and artificial intelligence in the insurance sector. Commissioner Birrane also represented departments of insurance and receivers in connection with delinquency proceedings.

From 2002 until 2007, Commissioner Birrane served in the Maryland Office of the Attorney General in the statutory position of Principal Counsel to the Maryland Insurance Administration. In that role, she managed all of the legal work of the agency, both in its capacity as regulator and as a unit of state government. During her tenure as Principal Counsel, she served on numerous work groups and task forces of the National Association of Insurance Commissioners. After leaving the OAG, and before joining DLA Piper, Commissioner Birrane was a Senior Vice President and General Counsel of portfolio companies owned by major hedge funds that specialized in asset consulting, acquisition, diligence, and the servicing of insurance-linked investments.

Commissioner Birrane began her legal career as a law clerk at the Baltimore law firm Kramon & Graham P.A. which elected her a shareholder in 1995. Her practice at K&G encompassed a broad range of civil, criminal, and regulatory matters, with a focus on complex commercial litigation, insurance coverage disputes, ERISA, and insurance regulatory matters.

In 2019, Governor Hogan appointed Commissioner Birrane to the University of Maryland Medical System Board of Directors, where she served as chair of the Governance and Nominations Committee before resigning upon her appointment as Commissioner. She is a member of numerous community and nonprofit organizations, including the Baltimore Bar Foundation, Baltimore Area Women in Action, Catholic Charities of Baltimore, and the United Way of Central Maryland where she serves on the Executive Committee of Women United.

Commissioner Birrane was named to the Top 100 Women of Maryland by the Daily.

Steve Kelley was appointed Commissioner of the Minnesota Department of Commerce by Governor Tim Walz on January 7, 2019.

He was most recently a Senior Fellow at the Humphrey School of Public Affairs, University of MN. Before joining the Humphrey School in 2007, he served in the MN Senate for 10 years and the House of Representatives for 4 years. During his legislative service, he chaired the Senate Education Committee and served on committees dealing with energy and telecommunications regulation in both the House and Senate. He was one of the Legislature's leading experts on telecommunications policy, including issues related to broadband service.

Kelley has taught courses in education law and policy, science, technology and environmental policy, and global venture design. He has worked on issues relating to energy and environmental policy, design thinking and innovation, STEM education and public engagement with science. One of his projects at the University of MN was assisting with the bipartisan Renewable Energy Policy Exchange sponsored by the German federal government through which the University introduces MN policymakers to Germany's energy policy and brings German experts to MN to share policy ideas.

Before his election to the Legislature, he was a member of the Board of Directors of Medica (formerly Physicians Health Plan) and a public member of the MN Board of Medical Practice. Before and during his legislative service, Kelley practiced commercial litigation in MN. He represented both plaintiffs and defendants in complex cases involving securities fraud, accounting malpractice and other financial transactions.

Kelley and his wife, Sophie Bell Kelley, live in Hopkins and have two married children and 4 grandchildren. He received a B.A in political science and political economy from Williams College and his law degree from Columbia University.

Matthew Rosendale was elected Commissioner of Securities and Insurance, Montana State Auditor in 2016. Rosendale puts the people of Montana first by serving as a watchdog and protecting Montana’s securities and insurance consumers. He is committed to putting Montanans back in charge of their own health care by increasing choices, removing hurdles that increase premiums, improving access to health care, and removing government from between patients and their doctors. As a member of the State Land Board, Rosendale also is one of five Montana elected officials responsible for the management of more than 5 million acres of state trust lands.

Rosendale has called Montana home for a long time and established deep roots in the community. He and his family chose to live in Montana because Big Sky Country represents the values he and his family hold dear: God, liberty, and an individual’s right to rule himself or herself without the pressing hand of an intrusive government. Those basic and fundamental beliefs pushed Rosendale to run for public office, and he served in the state legislature representing Northeastern Montana for six years prior to his election as auditor. During Rosendale’s service in the legislature, he demonstrated a strong ability to work with elected officials from both parties to cut unnecessary spending and protect Montanans’ constitutional rights.

Before running for public office, Rosendale worked in real estate, real estate development and land management, where he built his small family business into a full-service firm. With his extensive background in managing various types of land, Rosendale brings unique skills and experience to the State Land Board, which generates millions of dollars to fund the Treasure State’s K–12 public education system through natural resource development and land management.

Rosendale and his wife, Jean, have been married for more than 30 years. They own and operate their ranch north of Glendive, where they raised their three sons. When Rosendale is not serving the people of Montana in Helena, you can find him fixing fences or hunting along the river bottom.

North Carolina Insurance Commissioner and State Fire Marshal Mike Causey has been a small businessman, insurance agent and insurance agency owner with 25 years in the insurance industry.

Causey is a native of Guilford County and still lives in the same house on the Causey family farm where he grew up, residing there with his wife of 43 years, Hisae, and their family pets.

Causey learned the values of hard work as his family grew produce and raised livestock on the family farm and supplied farmers’ markets in the Greensboro area. After high school, Causey entered a work/study program at Wake Technical College, where he earned his degree in engineering technology. From there, he went into the U.S. Army, where he served as a military policeman and played in the Army band. After his military experience, Causey worked as a field engineer in the construction industry and later entered an engineering program at UNC–Charlotte. He soon began his career in the insurance industry, working with Metropolitan Life Insurance Company in Charlotte. He went on to learn virtually every facet of the insurance industry, working as an agency manager and superintendent of agencies for Standard Life Insurance Company and owning his own agency.

Along the way, Causey continued his education with an undergraduate degree and graduate studies from High Point University. In addition to his experience in the insurance industry, Causey has been a lifelong farmer and entrepreneur, owning several family businesses, including an antique store, a farm equipment dealership and a produce market.

Causey likes to stay busy and looks forward to learning the insurance and safety needs of North Carolina families and businesses as he seeks to serve the citizens of North Carolina.

As Director of the Ohio Department of Insurance (department), Jillian Froment serves as a member of Governor DeWine’s cabinet and is responsible for the overall leadership and direction of the department.

Froment joined the department in 2011 and was appointed Director in 2017. During her tenure, Froment has worked to benefit Ohio consumers by removing regulatory barriers that needlessly drive up the cost of insurance while also strengthening meaningful consumer protections.

Her efforts include leading a national working group to establish a best interest standard of conduct for agents and insurers when making recommendations to consumers regarding the purchase of annuities; and she has worked to enhance department resources and enforcement for individuals accessing their mental health and substance use benefits. Additionally, she has managed a taskforce of Ohio insurance CEOs to review and implement improvements to Ohio’s regulatory environment and to create a robust workforce for Ohio’s insurance industry. She strengthened protections for consumer information by working with Ohio’s legislature to bolster industry’s data loss reporting requirements and require industry members to develop and maintain information security programs.

Recently, Froment established an Emerging Products Initiative – one of the first in the nation. The initiative is designed to ensure that the department’s regulatory framework is flexible enough to allow insurers to innovate and provide the best service possible to their customers, all while providing the highest-level consumer protections for Ohioans.

Froment has actively represented Ohio in the NAIC, as a member of the Executive Committee and as the Vice-Chair of the Midwest Zone. She is currently serving as Chair of the Life Insurance and Annuities Committee and as a member of the Property and Casualty Insurance Committee and the Innovation and Technology Task Force. Additionally, she is a member of the Federal Advisory Council on Insurance and a steering committee member for the EU-US Insurance Dialogue Project.

Froment has more than 15 years of executive experience with a reputation for streamlining organizations and realizing operational efficiencies. In the recent onset of COVID-19, she led the efforts to transform the department into a remote operation while maintaining all services provided to consumers and industry.

Froment earned a Juris Doctorate from Capital University and a Bachelor’s of Science in Engineering from The Ohio State University.

Glen Mulready became the 13th Oklahoma Insurance Commissioner after receiving 62% of the vote. He was sworn in office on January 14, 2019.

Mulready is a recognized leader and champion in the insurance industry. Starting as a broker in 1984, he rose to serve at the executive level of the two largest health insurance companies in Oklahoma. In 2007, he joined Benefit Plan Strategies, a company helping businesses provide employee benefits and health insurance to their employees. He has served as President of both the Tulsa and Oklahoma State Health Underwriters Associations and has been named State Health Underwriter of the Year.

In 2010, Mulready successfully ran for state representative and quickly became the point person for the House of Representatives on insurance issues and was appointed chairman of the Insurance Committee after the 2014 elections. In this role, he passed legislation which resulted in more insurance companies offering service in the state, and he reformed the state employee insurance program to save Oklahoma millions of dollars a year while also saving thousands of dollars for those families. These successes led to him being tapped for the leadership position of majority Floor Leader in 2017.

Mulready and Sally, his wife of 31 years, are the proud parents of teenage sons, Sam, Jake, and Will. In 2008, he and Sally were the recipients of Leadership Tulsa’s Paragon Award for their work with Big Brothers Big Sisters. He is very active in the community having served on numerous boards and committees including Big Brothers Big Sisters, the Juvenile Diabetes Research Fund (JDRF), March of Dimes, Shepherds Fold Ranch Christian Summer Camp, Crime Commission, and Tulsa Tough.

Deputy Commissioner of Insurance (802) 828-4845
Lieutenant Governor Tregenza A. Roach is a proud Virgin Islander who has served the people of this Territory in each branch of Government. He recently completed his third term as a Senator in the Virgin Islands Legislature.

He earned a B.A. in Journalism from the University of Missouri and a J.D. from the University of Connecticut School of Law. While attending law school, he clerked in the Office of the Governor’s Legal Counsel, the Office of the U.S. Attorney, and the Territorial Court of the Virgin Islands. Upon graduating, he worked in the Territorial Court’s Civil and Family divisions and in private practice. He has been a member of the Virgin Islands Bar since 1991.

Roach began his career in public service as Legal Counsel to the Commissioner of Education, where he served for more than eight years before being selected as Executive Director of the Board of Education. In 2006, he was selected by the University of the Virgin Islands (UVI) to lead a program of public education in support of the Fifth Constitutional Convention. During this consultancy, he served as the Coordinator/Researcher of the Constitution 2008. He also represented UVI at United Nations (UN) Decolonization Seminars in Grenada and Indonesia. Although the UVI project ended in 2008, the UN qualified Roach as an expert on constitutional development processes in the U.S. territories and invited him on his own merits to a third Decolonization Seminar in St. Kitts in 2009.

He joined the UVI adjunct faculty from 1999 to 2012, teaching courses in the Humanities and a Constitutional Law course in the education graduate program. Other UVI projects, include the Legacy Report of President Emeritus LaVerne E. Ragster, Ph.D., a major environmental project with the U.S. EPA, launch of the Center for the Study of Spirituality and Professionalism, and Editor in Chief of its award-winning international literary journal.

Roach was elected to the 30th-32nd legislatures as a staunch advocate for education, the environment, and the youth and elderly of the Territory. He was nominated to the Education and the Law, Criminal Justice and Public Safety committees of the National Conference of State Legislatures (NCSL) and instrumental in the 2014 adoption of a resolution supporting full citizenship rights for those living in the Territory. In 2016, he presented a similar resolution that resulted in a full NCSL conference session devoted to the affairs of the remaining U.S. territories.

Mark V. Afable was appointed Wisconsin Commissioner of Insurance by Governor Tony Evers on January 22, 2019. In addition to serving as the state's chief regulator or insurance, Afable oversees the agency's 143 employees and supervises the Injured Patients and Families Compensation Fund and State Life Insurance Fund.

A graduate of Marquette University Law School, Afable has over 38 years of experience in the insurance industry. Prior to his appointment, Afable served as the Chief Legal Officer with American Family Insurance, overseeing corporate legal, government affairs and compliance, litigation and protective services. With extensive experience working with state and federal legislators, state insurance regulators and the NAIC, he advised Senior Leadership and the Board of Directors on legal matters involving corporate governance, compliance issues, and regulatory actions.

Before joining American Family in 1994, Afable directed legislative and regulatory efforts in several states for Allstate Insurance Company, where he first became involved with the NAIC. Earlier in his career, Afable focused his efforts on insurance policy and legislative issues as counsel for the National Association of Independent Insurers (NAII) in Des Plaines, Illinois.

Afable serves on the Board of Directors for Sunshine Place, a resource facility for charitable organizations providing food, clothing and social services to residents of Sun Prairie. He also serves on the American Family Children's Hospital Advisory Board and the Edgewood High School Board of Trustees.

Afable and his wife, Peggy, have four children and live in Sun Prairie, Wisconsin.
